Hi (b) (6), (b) (7)(C),

I just thought of this - and we are on a tight deadline for this litigation action. Would it be possible to mail this CD to my personal address? Your FBI team has done this before for us. The GSA Central Office is only admitting essential employees at the moment and our FOIA staff is not on that list. I would like to ensure that we get the CD ASAP.

My address is:

Travis Lewis
2814 Freezland Rd.
Linden, VA 22642

Much appreciated!

Travis.

Hello Travis –

I will be sure to send the processing of documents 2 and 7 out to you. It looks as though we completed the processing of that material some time ago but I can't track down if the product was sent out prior to our final response. I will be sure you have our complete response very soon!

Thanks so much,

Good morning (b) (6), (b) (7)(C),

I would like to thank you and your team at FBI for providing the results back to GSA earlier this year on this Consultation FOIPA Request No.: 1394414-0.

These results are now part of a GSA litigation from one of the FOIA requesters and for due diligence as we coordinate with the AUSA at DOJ we want to ensure that we received back all the files GSA sent initially over for review, and that the FBI had an opportunity to review every file.

It appears that files #2 and #7 were not returned back from the FBI on the CD that was provided back to GSA earlier this year.

I have provided these two files attached in this email. If you could, please take your time and ensure that your office has a chance to also review and propose any additional redactions to these two files attached (19 total pages).

Thank you,

Travis
